Note: Any parents, who are concerned about a space being available for their child, please call me at 404-861-3819. Each situation is different and we do our best to make sure that everyone that wants to send their child to this preschool will have a place in an appropriate classroom environment. Some of our age/birth day cut off dates are different from other preschools. We are diligently seeking God's plan for this preschool and the 2010 – 2011 school year. May God bless each one as decisions are made in selecting a preschool for your child.
