### **Open Registration - February 4<sup>th</sup> 6:00 - 8:00 p.m.**

Open to all children who are ages 3 months to 5 years old. Numbers are given out as parents arrive and are called in numerical order. This is a "first come, first serve" process. Once an age group reaches maximum capacity, a waiting list will be started and children will be placed on the list using the numerical number obtained by the parent. Please be aware that parents do withdraw their child during the following months of registration and that spaces in an age group class do become available. You will be contacted when these spaces become available.
